## It's Time to *Mix It UP!*

Please join ASTD-NM at the Nativo Lodge for our annual summer networking mixer!

- Network with like minded professionals.
- Explore new opportunities.
- Share best practices.

*Mix It UP* is a networking event with focus on bringing professionals together who wouldn't normally associate with each other – but probably should. Any networking event is only as good as the quality and quantity of people attending, so invite your friends, associates, clients, consultants, anyone who you think could take advantage of mingling with professionals in Albuquerque!

*Nativo Lodge • 6000 Pan American Fwy, NE • Albuquerque, NM 87109*

### Registration
